SUMMARY OF PREVIOUS STATE BOARD OF EDUCATION DISCUSSION AND ACTION

The Board approved a similar waiver for the Novato Unified School District on September 12, 2002 and these waivers are only granted for two years.

SUMMARY OF KEY ISSUES

The district states that having a smaller number of students who want to be active participants on the school site council is preferable to having a larger number with less interest in council activities, and will allow additional participation by parents and/or community members.
